## 2015 Black Boar Zinfandel

DRY CREEK VALLEY | SONOMA COUNTY

MADE WITH ORGANICALLY GROWN GRAPES

### THE VINEYARD

A block selection from our Estate Zinfandel Vineyards, Black Boar is an unparalleled expression of Quivira Vineyards' Zinfandel. The bold, rich style and red spicy fruit exemplify the qualities that define what is unique about Dry Creek Valley. This wine is crafted in the vineyard and finishes barrel aging in the cellar two years later for optimum balance. The centerpiece of Quivira's Zinfandel collection, every vintage has received 90+ points across all major wine publications since its 2013 inception.

### THE VINTAGE

The low yields of the 2015 resulted in a Zinfandel of uncommon density, flavor, and structure. 2014, the third consecutive year of drought, set the stage for a small crop in the subsequent vintage. Continued drought exacerbated the dwindling yields in 2015; tiny berries resulted in a wine of exceptional concentration and depth.

### THE WINE

A beguiling spiciness complements the upfront dark fruit-plum, blackberry, and bing cherry followed by hints of chocolate in the long finish. The generous entry is framed by juicy acidity and suave tannins. Black Boar's sense of place, aromatic purity and signature Dry Creek flavors ensure the wine has a long life ahead of it.

**COMPOSITION** 93% Zinfandel % 7% Petite Sirah
