Anderson Ranch

2015 Zinfandel

DRY CREEK VALLEY | SONOMA COUNTY

MADE WITH ORGANICALLY GROWN GRAPES

THE VINEYARD

Anderson Ranch is located on the venerable Lytton Springs corridor, one of Dry Creek Valley's premier Zinfandel microclimates. Situated on elevated benchland, and planted in well-drained sandy soils, this vineyard delivers an elegant, refined 100% Zinfandel. This bottling honors the Anderson family who has long-term leased and allowed Quivira to plant this world-class site in 1996. A captivating expression of single-vineyard Zinfandel.

THE VINTAGE

Anderson Ranch's sandstone-derived soils are lightly colored and textured; this nurtures an aromatic-driven expression of Dry Creek Valley Zinfandel. In 2015, almost all of this wine was aged in Foudres, large oak barrels, to allow for aroma retention and tannin development. Red and dark fruit aromas are pure and transparent, a distinctive signature from the vintage.

THE WINE

The round and immediately pleasing texture is inviting and mouthwatering. Anderson Ranch captures the essence of Dry Creek Valley Zinfandel, displaying the full range of fresh through dried fruit, subtle spice, black pepper, and balanced natural acidity. The 2015 is unusually brooding upon release, which bodes well for how things will develop in the bottle.

COMPOSITION 100% Zinfandel
