

# QUIVIRA

VINEYARDS

*Intentional wines, naturally.*

## 2018 ROSÉ

ESTATE GROWN | DRY CREEK VALLEY

Virginie Boone, May 2019

*Always Grenache-based, the Quivira winemaking team assembles the final blend from a classic mix of red Rhone grapes. The blending trials occur weekly as soon as all the component varietals of our organically-farmed Rosé are picked. From vineyard to bottle, this is an intentional Rosé—a sustained commitment throughout the vintage that yields only the best Rosé.*

*Made with organically grown grapes*
