WINE CREEK RANCH | 2022
Grenache
DRY CREEK VALLEY

ESTATE VINEYARD | CCOF CERTIFIED

The 110-acre Wine Creek Ranch is home to 59 acres of organically farmed vineyards that surround our winery and tasting room. Grenache thrives here in the well-drained, gravelly soils and warm, breezy afternoons of Dry Creek Valley, producing wines that balance vibrant red fruit and spice with the elegance and freshness that define this estate.

VINTAGE

Harvest: October 2022

- Low Winter rainfall was followed by ideal Spring and Summer temperatures. As harvest approached, it arrived in a hurry as a Labor Day weekend heat wave sent harvest into top gear. Flavors were ripe, acids plentiful and tannins copious. Thankfully, our cool, corner pocket of Dry Creek Valley where we reside, weathered the heat well and harvest was long and measured with patience being rewarded.

COLOR

- Watermelon red

NOSE

- Dried cranberry
- Cherry blossom
- Strawberry

PALATE

- Macerated strawberry
- Gravel
- Juicy plum

AGING

- 8 months in 20% new French oak

COMPOSITION
